Winemaker's Notes *A spectacular expression of Walla Walla Valley Cabernet Sauvignon, made to celebrate 20 years of growing grapes and making wine in the Walla Walla Valley. Full-bodied and full of character, with layers of black cherry, cassis, dried herbs and licorice. Moderate, polished tannins wrap around the fruit, while savory notes add a little extra depth. Bold, yet balanced, this is a beautiful reflection of our estate vineyards, the vintage and two decades of Dusted Valley winemaking.*
