**2008 Yakima Valley  
Old Vine Chardonnay**

When it comes to Chardonnay who wants ordinary? This Chardonnay is from some of the oldest Wente clone plantings in Washington, 1972 to be exact. This wine was fermented in neutral oak barrels with their toasty oak flavors having been extracted in previous wines.

This wine is from a cool site vineyard that gives the wine nice balancing acidity. The wine style is more like white Burgundy with a “kick it up a notch” kind of attitude. Only 205 cases.
