OAK PROGRAM
100% 3 to 5 year-old French oak for 5 months aged sur lie, with weekly battonage

PRODUCTION
205 Cases

UPC
5658900120

WINEMAKER'S NOTES

This Wente Clone Chardonnay planted in 1972 is from one of the oldest blocks of Chardonnay in Washington. It was hand picked at the peak of ripeness, gently whole cluster pressed and barrel fermented in neutral French oak. This "Old Vine" Chardonnay did not go through secondary malolactic fermentation preserving its beautiful fruit flavors, racy acidity and natural balance. This wonderful wine is for everyone from the diehard Chardheads to the ABC crowd.
