WINEMAKER'S NOTES

It's time for some "real" pink people! Rosé as it was intended to be... This is an incredible field blend from our Stoney Vine Vineyard on the rocks. The grapes were harvested between 20 – 24 degrees brix and fermented to dryness in stainless steel tank at cold temperatures to preserve the beautiful aromas. The Ramblin' Rosé is crisp, clean, fruit forward and utterly delicious. Why not enjoy the Spring Fling with a bit of the pink Zing! Go ahead and get into that bottle.
