WINEMAKER'S NOTES *Purple is our favorite color. You know you're drinking the good stuff when your teeth develop that unmistakable hue. Don't worry, Chad's father Dr. Dan Johnson D.D.S. says, "Life is too short to stain your teeth on cheap wine." The Stained Tooth Syrah includes the beauty of Grenache, Petite Sirah and Mourvèdre and is sourced from some of Washington State's top vineyards. The bouquet floats out of the glass and draws you into all the extraordinary fruit while the ripe tannins provide a silky finish.*
