

BOOMTOWN

BY DUSTED VALLEY

2023 CHARDONNAY

Boomtown by Dusted Valley offers classic Washington State wines with one goal - to over deliver.

In 2003, Wisconsin natives Chad Johnson and Corey Braunel left the comforts of their corporate jobs to move to Walla Walla and fulfill their dream of crafting world-class wine. Combining Washington State grapes with their rough and tumble know-how and a sizeable piece of their souls, the family created Dusted Valley and Boomtown.

Winemaker's Notes:
This Chardonnay opens with notes of freshly cut pears framed by balancing acidity. Fresh, vibrant and a sure bet for Chardonnay lovers.

Vineyard Notes:
The Boomtown 2023 Chardonnay hails from several cool-climate vineyards in the Yakima Valley. The cooler climate offers a natural acidity that we seek in our finished wines and serves as the backbone of our Chardonnay program.

Yakima Valley:
Designated in 1983, Yakima Valley was the first federally recognized wine-growing region in the Pacific Northwest. The valley has an arid, continental climate, with annual average precipitation at just 8 inches (20 cm). It's one of the few appellations in the state where white varieties are more planted than red, led by Chardonnay and Riesling. Stretches of cooler terrain in Yakima Valley are home to almost half of the Chardonnay and Riesling grown in the state.
