WINEGROWER'S NOTES Purple is our favorite color. You know you're drinking the good stuff when your teeth develop that unmistakable hue. Don't worry, Chad's father Dr. Dan Johnson D.D.S. says, "life is too short to stain your teeth on bad wine." The Stained Tooth Syrah is sourced from some of Washington State's top vineyards including two of our Walla Walla Valley estate vineyards - Stoney Vine and Southwind. The bouquet floats out of the glass and draws you into the extraordinary fruit while the ripe tannins provide a silky finish.
