WINEMAKER'S NOTES

This is a beautiful 100% Syrah from Breezy Slope, a high-elevation vineyard in the Walla Walla Valley. It has that hallmark structure you get from mountain fruit, with gorgeous floral notes and vibrant blue fruit shining through. It's also a bit of a special piece of Dusted Valley history—it's the final wine we made under our Barrel Thief Series before transitioning to The Curveball this spring, so this is a fun opportunity to grab one of the last Barrel Thief wines.
